WHAT WE OFFER

Basic Skills Development

Provides members with opportunities to participate in the daily operation of the clubhouse with home management & life skills such as: meal prep, house maintenance/clean-up, reception & delegation of clubhouse chores, budgeting & shopping skills.

Pre-Employment

Therapeutic Volunteer Placement
Supported Work Program
Volunteer Program

Employment Services

Employment Services is a specialized program for members of Surrey Clubhouse, and is designed to facilitate individuals who have experienced barriers to employment due to mental illness to gain and maintain competitive employment in the community.

Social/Leisure

Art
Crafts
Special Events

The Arts/Crafts Group meets twice a week to provide members with opportunities to learn new techniques or sharpen their creative skills, and to build self-confidence. Furthermore, it provides a very meaningful and valuable social networking platform for our members.

PRE-EMPLOYMENT

Therapeutic Volunteer Program

This program is designed for individuals living with mental health challenges, who want to begin a journey towards competitive employment. TVP supports members to find and maintain volunteer work. There are numerous volunteer opportunities throughout the community. Program runs for a period of 12 months. Participants can volunteer either a minimum of 5 or 10 hours a month, for which they will receive a \$50 or \$100 honorarium.

Supported Work Program

The Supported Work program, offered through the clubhouse, supports members to participate in casual work in a community setting. Work is contracted by the agency and is carried out by the participants of the program with on-site support from staff. Participants are paid a training wage (no less than minimum wage), using income from the work placement. Types of jobs include seasonal work, such as: landscaping & maintenance, Clean Streets program, moving crews, apartment cleaning; "The Frame Shop", and more. Participation in the Supported Work program helps individuals develop basic work skills, increase confidence, gain work experience and connect with the community. Most importantly, for many it's a step towards competitive employment. Janitorial Training is also offered at our clubhouse Mondays & Wednesdays 8:00-9:00am.

The Frame Shop

The Frame Shop is run as a social enterprise, providing training in basic picture framing skills, and custom framing service for the community. This program is offered on Mondays.
