

POSTING

CLINICAL COUNSELLOR

Permanent Part Time - 30 hrs per week (2 Positions)

Domestic Violence Intervention Program

The Domestic Violence Intervention Program increases the parenting capacity and overall safety of Ministry referred families where domestic violence is identified, decreasing the potential of their children entering the care of the Ministry. Culturally agile services and supports are required to promote family wellness and support family transitions, including reunifications. This will be addressed by providing one-to-one and group mandated service directly to perpetrators of domestic violence who are parents/caregivers of children birth -19 and have perpetrated incidents of domestic violence that have resulted in MCFD child protection services as required by the *Child, Family and Community Service Act (CFCSA)*. Services will be available on an outreach basis where required.

The Clinical Counsellor will provide clinical counselling and engage perpetrators of domestic violence through the use of therapeutic intervention, education, including The Caring Dad's Program and Mentor program providing them with tools that will support them in ending their abusive behaviour towards their intimate partners

KEY DUTIES AND RESPONSIBILITIES

- Conduct risk assessments and safety plans, in collaboration with the family, MCFD staff and other involved community partners; including participation in Integrated Case management meetings relevant to referred individuals and families, including transition and discharge planning.
- Administer assessments to determine client concerns, problems and case outcomes. Specifying case outcomes early and concretely.
- Complete necessary training of DVIP group curriculum material with a level of competency to provide the different group(s) in all stages of a participant's enrolment.
- Provide individual and group counselling, implementing intervention strategies consistent with client information and goals. Work in collaboration with client, MCFD and community partners to establish goals that are relevant, clear and concrete using a trauma informed approach.
- Develop and implement therapeutic service plans and programs necessary to meet client goals and objectives; utilizing a crisis intervention approach where necessary.
- Engage in individual and DVIP team clinical supervision.
- May maintain a caseload of clients.
- Maintain client and service records in accordance with MCFD requirements, COA standards and agency policy.
- Maintain an up to date knowledge of community resources and provide appropriate referrals to clients to meet their needs.
