

VOLUNTEER POSTING

MURAL PAINTER/COMMUNITY ARTIST (VOLUNTEER)

Hyland House Shelter - Newton

A little bit about us!

Hyland House provides emergency shelter to those who are homeless or at risk of being homeless. Our two locations in Cloverdale and Newton provide shelter for approximately 50 clients to both men and women over the age of 19.

Hyland House Newton is looking for community artists to help brighten up our shelter space!!

A little bit about you!

We are looking for an artist with a love for painting that is willing to donate some time to paint a mural on our common room wall. The style and content of the mural are open to discussion with the program managers and staff, but the content will compliment the skills and style of the volunteer.

Experience is not necessary but would be considered an asset. We would love to see some of your previous work for inspiration.
