

# SUMMER PROGRAMS OFFERED THROUGH OPTIONS SPECIAL SERVICES TO CHILDREN & THEIR FAMILIES PROGRAM

This summer, Options is excited to offer our fee-for-service Summer Camps for Children who have autism or developmental disabilities. There are four fun-filled options to choose from.

These groups will work on building social skills, making friendships, and in some cases exploring the community. All kids need to be group appropriate.

**\*ALL GROUPS MUST MEET MINIMUM NUMBERS OF CLIENTS IN ORDER TO RUN\***  
**If using Autism Funding, all paperwork must be filed well ahead of time to ensure funding is in place PRIOR to group start date\***
