Options Community Services is a non-profit registered charity providing social services primarily in Surrey, Delta, White Rock and Langley. We believe in helping people help themselves. We believe in collaborating with individuals, businesses, community groups and government to create focused, effective and responsive resources for the community.

The Case Management Support Specialist will assist with OES applications, development of return-to-work action plans, basic case management, and follow-up support, referrals, and assistance to those seeking sponsored training or other long-term interventions, as appropriate. The incumbent will be responsible for processing, administering, monitoring, and tracking job-start support and other financial support. The Case Management Support Specialist will also perform assigned tasks to assist with data entry revisions and follow-up to enhance key performance measures and program outcomes. The Case Management Support Specialist is responsible for staying abreast and following WorkBC Policy and ICM requirements to ensure accurate data entry and record-keeping in ICM and collection of documentation and statistical information.

ACCOUNTABILITIES

- Assess clients' eligibility for services, assist with online applications and ensure clients are aware of service and support offerings.
- Coordinate new referrals and client flow from other programs to WorkBC through outreach.
- Work closely with employment counsellors to ensure that client needs have been accurately identified and addressed with regards to job starts and other financial supports.
- Work with clients to develop/update a collaborative return-to-work action plan including resume development, job coaching follow-up, outreach work that appropriately meets the clients' needs, and monitoring of long-term interventions.
- Work closely with all other workgroups to manage client flow by screening clients for services and administering, monitoring, and tracking financial supports and services according to WorkBC policy and eligibility criteria.
- Complete and track statistics, reports and documentation on activities and intake, including gathering of receipts, progress reports, and documentation for dispensing/administering/tracking/monitoring of financial supports.
- Open, maintain, and close ICM and physical client and service files/records in accordance to requirements of the funder and Options Community Services (OCS), including data entry corrections, accurate submission of orders, billings, revisions and tracking of outcomes.
- Contact other agencies, training organizations and employers to confirm client progress and obtain documentation as appropriate such as attendance reports and receipts.
- Performs other duties, as needed.
